Adam Primm Quoted in Law360 Article on Key Developments in Employment Law

AUGUST 28, 2024

Benesch Labor & Employment Partner [Adam Primm](#) was featured in Law360's recent article, "5th Circ. Tip Rule Decision A Sign Of Post-Chevron Landscape," discussing the Fifth Circuit's decision to invalidate a U.S. Department of Labor rule on tipped wages and its implications for federal wage regulations. Adam provided his perspective on the expected increase in challenges to administrative enforcement and rules following the Supreme Court's removal of Chevron deference.

The article highlights Adam's insights into the evolving legal landscape while offering valuable guidance for employers.
