

ALM | Law.com Quotes Benesch Partner Seth Kleinman on Will Law Firms' Bet on Fintech Dominance Pay Off?

AUGUST 11, 2022

Benesch Partner [Seth Kleinman](#) was quoted in *ALM / Law.com* in relation to the challenges and opportunities for Big Law firms, particularly those involved in fintech and crypto sectors. Despite a decline in corporate demand, the fintech sector continues to thrive due to ongoing technological advancements and capital deployment. Regulation remains a significant challenge for crypto companies, but experts like Seth Kleinman emphasize that the interest in distressed assets and restructuring cases signals the continued vitality of the sector. Kleinman notes, "We're far from the death of crypto," highlighting the industry's resilience and potential for growth.
