Asset Securitization Report Spotlights Benesch's Real Estate and Structured Finance Expansion

AUGUST 4, 2026

Featured Industries: [Real Estate](#)

Benesch was featured in *Asset Securitization Report* for its addition of a 20-attorney real estate finance, structured finance and securitization team from Reed Smith, led by Partner [Jodi E. Schwimmer](#) and [Randy Eckers](#). The group expands Benesch's capabilities in commercial real estate finance and structured finance while supporting the firm's continued national growth.

The article also highlighted Benesch's plans to establish a Miami office, further strengthening its presence in key financial markets. According to Schwimmer, Benesch's entrepreneurial culture, growing real estate platform and complementary service offerings made the move a strong fit for both her practice and clients.
