

Benesch Achieves National Recognition in 2025 “Best Law Firms” Rankings

NOVEMBER 7, 2024

Benesch is pleased to announce that it has been recognized in 16 national and 58 metropolitan categories in the 2025 Best Lawyers® “Best Law Firms” rankings, including National Tier 1 recognition for Health Care Law and Transportation Law.

Additionally, Benesch has been named the 2025 “Law Firm of the Year” in **Transportation Law** for the seventh time. Only one law firm per legal practice area receives this recognition, making this award a particularly significant achievement.

Best Law Firms® rankings are based on a rigorous evaluation process that includes the collection of clients and professional reference evaluations, peer review from leading attorneys, industry leader interviews and review of additional firmographic highlights provided by law firms as part of the formal research submission process. Clients and professional references are asked to provide feedback on firm practice groups, addressing expertise, responsiveness, understanding of a business and its needs, cost-effectiveness, civility and whether they would refer another client to the firm.
