

Benesch Advances 22 Spots to #33 in ALM 2024 Midlevel Associates Survey

SEPTEMBER 6, 2024

Highlighting the firm's ongoing commitment to fostering a supportive and fulfilling environment for its associates, Benesch is pleased to announce that it has advanced to #33 in the ALM 2024 Midlevel Associates Survey, climbing 22 positions from last year's rankings.

The ALM Midlevel Associates Survey evaluates the satisfaction of third, fourth and fifth-year associates across 12 categories, including compensation and benefits, training and mentorship, relationships with partners and peers, engagement with their work, firm policies on billable hours, and transparency around firm strategies and partnership opportunities. Associates rate their firms on a scale of 1 to 5, with rankings based on average scores.

Benesch's steady rise in the ALM rankings underscores the firm's dedication to nurturing talent and cultivating a supportive workplace that provides meaningful growth opportunities. This progress reaffirms Benesch's success in ensuring that associates feel valued and satisfied with their professional experiences.
