

Benesch Again Partners with Client Kaulig Racing for NASCAR Chicago Street Race

JULY 3, 2024

For the second year in a row, Benesch will be represented on the track at the NASCAR Street Race in downtown Chicago. Thanks to a partnership with Benesch client Kaulig Racing, the No. 13 Benesch-wrapped Chevy Camaro ZL1 will be driven by AJ Allmendinger in the Grant Park 165. Allmendinger has earned three top-10 finishes and led 13 laps so far in the 2024 NASCAR Cup Series season.

“We couldn’t be more excited to partner with Kaulig Racing,” said Benesch Managing Partner Gregg Eisenberg. “We are grateful for our long-standing relationship with Kaulig Racing, which has made this continued partnership and the opportunity for such high-profile visibility possible.”

At last year’s inaugural Chicago Street Race, the Benesch Chevy cruised to an impressive second-place finish after leading a total of 23 laps in the Grant Park 220, with driver Justin Haley behind the wheel.

“We’re looking forward to having Benesch on board our Kaulig Racing Chevy for the second year-in-a-row,” said Kaulig Racing President Chris Rice. “We hope to put on a good show for our longtime partner at this one-of-a-kind street course.”

You can catch the Benesch Chevy and all the race action on Sunday, July 7 at 3:30 p.m. CT / 4:30 p.m. ET on NBC.
