

Benesch Attorneys Recognized as Benchmark Litigation Stars

OCTOBER 24, 2016

Benesch is pleased to announce that **Joseph Castrodale** and **Yelena Boxer** have been recognized in the 2017 edition of Benchmark Litigation as “State Litigation Stars,” and **Gregory Phillips** has been recognized as a “State Litigation Future Star,” designations given to those individuals who were recommended consistently as reputable and effective litigators by clients and peers.

Benchmark Litigation conducts research over a six-month period during which researchers conduct extensive interviews with litigators and clients to identify the leading litigators and firms. During these interviews, researchers examine recent casework handled by law firms and ask individual litigators to offer their professional opinions on peers.

Benesch Managing Partner, Gregg Eisenberg said, “In the last 18 months, we’ve added 30 litigators to our team, putting our litigation practice on par with the best litigation groups in the country. This recognition affirms our level of experience and bench strength, and these attorneys are entirely deserving.”
