Benesch Attorneys Shaneeda Jaffer and Lily North Mentioned in Law360 for Representing Epic Games in Antitrust Case

APRIL 3, 2025

Benesch Partner [Shaneeda Jaffer](#) and Attorney [Lily North](#) are representing Epic Games in its ongoing antitrust litigation against Google and Samsung.

As reported by *Law360*, the case alleges the tech giants colluded to restrict competition in the Android app marketplace, focusing on Samsung's Auto Blocker feature and its alignment with Google's app distribution strategy.

This high-stakes case, which continues in the U.S. District Court for the Northern District of California, highlights Benesch's strength in complex litigation and its commitment to advocating for innovation and fair competition in the tech industry.
