

## MEDIA MENTIONS

# Benesch Featured in Law.com Coverage of Record-Level U.S. Law Firm Leasing in 2025

MARCH 3, 2026

Benesch was highlighted in *Law.com*'s recent article on the U.S. law firm office leasing market, which reached record levels in 2025. According to the article, law firms across the country posted historic leasing activity last year as the sector demonstrated continued confidence in long-term office presence and strategic workplace investment.

This mention underscores Benesch's active participation in the evolving commercial real estate landscape within the legal industry and reflects the firm's ongoing commitment to maintaining a strong, collaborative workspace that supports client service and talent development.
