

Benesch Joins Law Firm Antiracism Alliance

AUGUST 31, 2020

Benesch is proud to announce that the Firm has joined the Law Firm Antiracism Alliance (LFAA), a collaborative of more than 200 law firms united in a mission to identify and dismantle structural or systemic racism in the law. As part of the alliance, Benesch, along with the other law firms in this network, will aim to achieve the LFAA mission by participating in large-scale, coordinated pro bono opportunities aimed at supporting the cause.

“Benesch has always had a commitment to diversity and inclusion throughout all levels of our Firm,” said Gregg Eisenberg, Managing Partner. “Our participation in the LFAA is the next logical step in our pledge to Be Part of the Change, following our previously announced matching gift program and enhanced pro bono policy centered around racial equality.”
