Benesch Launches Multidisciplinary Post Dobbs Task Force

AUGUST 11, 2022

Benesch has assembled a multidisciplinary team to provide guidance and address our clients' questions and business concerns relating to the ruling in *Dobbs v. Jackson Women's Health Organization*. This team is comprised of attorneys with many years of experience in labor and employment, employee benefits, healthcare, white collar, data privacy, government affairs, and crisis communications.

Our team is closely monitoring the legal and business impacts of this decision. We are committed to keeping our clients informed by issuing regular bulletins, providing outside informational material, hosting webinars, and more.
