

Benesch Named Top Workplace in Chicago

NOVEMBER 8, 2022

Benesch is pleased to announce that the firm has been named among 2022's Top Workplaces USA.

For the past 13 years, Energage, formerly Workplace Dynamics, has been ranking workplaces in the Chicago area and the nation through employee surveys, assessing everything from work-life balance to confidence in company leadership. Top Workplaces is the nation's most credible employer recognition program. Its employer recognition is based solely on employee feedback captured via a workplace survey. *Chicago Tribune* publishes this list on an annual basis.
