

# Benesch Participates in Chicago Bar Foundation Investing in Justice Campaign

MARCH 19, 2018

Benesch is pleased to announce that the firm's Chicago office will be participating in The Chicago Bar Foundation's Investing in Justice Campaign for the first time this year.

"We are proud to be a participant and Benesch, having opened its office here in Chicago three years ago, believes this is a great opportunity to give back to the legal community," said Bill Doran, a partner in the firm's Corporate & Securities Practice Group. This annual initiative rallies the legal community around the common cause of ensuring that everyone has access to necessary legal assistance. In fact, 100% of the individual contributions to the Campaign directly support the work of more than 30 pro bono and legal aid organizations.

The office will be running an internal initiative March 19 through March 23 for the Campaign. Attorneys and staff are being encouraged to raise funds. The opportunity to donate online is through The Chicago Bar Foundation's website at [chicagobarfoundation.org/campaign](http://chicagobarfoundation.org/campaign).

Benesch's 2018 Investing in Justice Campaign committee members include Bill Doran, Vince Gnoffo, Emily Fess, Sarah Hesse and Amy Livingston.
