

# Benesch Partner Megan Mehalko Honored as a 2025 BTI Client Service All-Star

AUGUST 21, 2025

Benesch is pleased to announce that Megan Mehalko, co-chair of the firm's Corporate Practice Group, has been named to BTI's 2025 Client Service All-Stars list. This prestigious recognition is widely regarded as the gold standard for identifying attorneys who deliver the highest levels of client service.

BTI's list is based solely on direct feedback from corporate counsel. As part of its Annual Survey of General Counsel, BTI conducted more than 300 in-depth telephone interviews with top legal decision makers at organizations with more than \$700 million in revenue between April 2024 and March 2025. Honorees are named by clients for consistently going above and beyond to provide exceptional service.

Attorneys selected to this list are recognized for their ability to anticipate needs, offer strategic and innovative ideas, provide concise and unequivocal guidance, and deliver proactive, forward-thinking counsel. The award is widely viewed as one of the most meaningful and sought-after distinctions in the legal industry.

Megan's inclusion on this list is especially meaningful in a year when Benesch became the first and only law firm ever to receive the [2025 Gold Excellence in Client Experience \(CX\) Award](#) from ClientSavvy. This national honor reflects the firm's deep commitment to delivering exceptional client service and fostering strong, trusted relationships, which are standards Megan embodies in her daily work.

I truly love what I do-being a valued member of a client's team is incredibly rewarding.
