Benesch Partner Shaneeda Jaffer and Attorney Lily North Earn Recognition in Law360 for High-Stakes Antitrust Victory in Epic Games Case

MAY 8, 2025

Partner Shaneeda Jaffer and Attorney Lily North have been featured by *Law360* for their pivotal role in representing Epic Games in its ongoing antitrust litigation against Google and Samsung. The case centers on allegations that the tech giants colluded to restrict marketplace competition through Samsung's "Auto Blocker" feature-a move that could reshape app distribution across Android devices.
