

Benesch Ranks in Top Tiers of Best Lawyers “Best Law Firms” Survey

SEPTEMBER 15, 2010

Benesch is pleased to announce that the firm has been ranked by U.S. News - Best Lawyers as a "Best Law Firm" in several practice areas.

For the U.S. News - Best Lawyers survey, major clients and leading lawyers were asked to rate the law firms they consider best in their practice area. In the end, 9,514 clients - including every Fortune 100 company and 587 of the Fortune 1000 companies - provided 194,370 firm practice-area evaluations; 6,190 clients provided 11,181 comments about law firm practice areas and individual lawyers; and 8,842 lawyers provided 594,012 firm practice-area evaluations.

These survey responses were combined with more than 3.1 million evaluations of individual lawyers in these firms in the most recent Best Lawyers survey of leading lawyers. Hard numbers were also used to develop the practice area rankings - data about numbers of lawyers and their previous experience, numbers of clients within different billing ranges, numbers of transactions and litigation matters at different dollar levels; pro-bono commitment, diversity, and other objective data.

Benesch's rankings are as follows:
