JULY 18, 2024

Benesch is pleased to announce that it has been ranked as a 'Top 10' law firm for its Summer Associate Program in Vault's 2025 Rankings. Benesch ranked #10 overall for Best Summer Associate Program based on attorney interactions, social experiences and career development.

"This recognition is a testament to the dedication that our team brings to ensure a successful and meaningful program for all summer associates who join us," remarked Managing Partner Gregg Eisenberg. "The effort it takes to orchestrate a program of this quality and scale is truly tremendous."

Reflective of the firm's growth, the Benesch Summer Associate Class of 2024 was our largest summer class yet, featuring 39 summer associates firmwide compared to 23 in 2023. This year's program was hosted across Benesch's Cleveland, Columbus, Chicago, San Francisco and Wilmington offices.
