Benesch Receives Cleveland Plain Dealer's Top Workplaces Award

JULY 15, 2010

Benesch was recently named as one of only 75 companies in Northeast Ohio to receive a 2010 Top Workplaces Award. Selection for this award was based entirely on the results of a survey distributed to Benesch's employees. Employees were sent an email and asked to answer questions about topics relevant to their experience working at Benesch. All participating organizations were ranked based on the results of the employees who completed the survey for that particular organization.
