

# Benesch Recognized by Benchmark Litigation 2020

SEPTEMBER 30, 2019

Benesch is pleased to announce that the firm has been named a Recommended Firm by Benchmark Litigation for the 5th consecutive year. In addition, Joseph Castrodale, Yelena Boxer and Gregory Phillips have been named Litigation Stars, while Eric Baisden has received the Labor & Employment Star recognition. These designations are given to individuals who were recommended consistently as reputable and effective litigators by clients and peers.

Benchmark Litigation conducts research over a six-month period during which researchers conduct extensive interviews with litigators and clients to identify the leading litigators and firms. During these interviews, researchers examine recent casework handled by law firms and ask individual litigators to offer their professional opinions on peers.

“In the last 18 months, we’ve added 46 litigators to our team, putting our litigation practice on par with the best litigation groups in the country,” said Gregg Eisenberg, Managing Partner at Benesch. “This recognition affirms our level of experience and bench strength, and these attorneys are entirely deserving.”
