

Benesch Recognized in Benchmark Litigation 2019

NOVEMBER 11, 2018

We are pleased to announce that Benesch has been named a Recommended Firm by Benchmark Litigation for 2019. Joseph Castrodale and Yelena Boxer have been recognized in Benchmark Litigation as “State Litigation Stars,” and Gregory Phillips has been recognized as a “State Litigation Future Star.” These designations are given to individuals who were recommended consistently as reputable and effective litigators by clients and peers.

Benchmark Litigation conducts research over a six-month period during which researchers conduct extensive interviews with litigators and clients to identify the leading litigators and firms. During these interviews, researchers examine recent casework handled by law firms and ask individual litigators to offer their professional opinions on peers.

“These are exciting times for our litigation department,” said Gregg Eisenberg, Benesch Managing Partner. “In addition to these three outstanding litigators, since 2015, we have nearly doubled the size of our litigation team by adding 56 immensely talented attorneys to our already accomplished roster. As the team continues to grow, so does the amount of sophisticated work we do for our clients.”
