

Benesch Recognized in Law.com's 2026 Global 200 Ranking

SEPTEMBER 15, 2026

Benesch is pleased to announce its inclusion in Law.com International's 2026 Global 200, an annual ranking of the world's highest-grossing law firms based on revenue. In this year's report, Benesch advanced to No. 163, climbing 15 spots from its No. 178 ranking in 2025.

Published annually by Law.com International, the Global 200 ranks law firms by gross revenue and serves as a widely recognized benchmark of financial performance within the legal industry. The report highlights firms from around the world and tracks key indicators of growth, scale and market position.

Benesch's rise in the 2026 rankings reflects the firm's continued growth and commitment to serving clients across its core practices and industry sectors. The recognition underscores the strength of the firm's strategic expansion, client relationships and collaborative approach to delivering legal counsel nationwide.

The full 2026 Global 200 ranking is available through [Law.com International](#).
