PRESS RELEASES

Benesch Transportation & Logistics Vice Chair Jonathan Todd Again Honored with 2026 JD Supra's Readers' Choice Awards

FEBRUARY 26, 2026

Featured Industries: Transportation & Logistics, International Trade & Supply Chain Management

Benesch is pleased to announce that Jonathan Todd, vice chair of the firm's Transportation & Logistics Practice Group, has been honored for the third time by JD Supra's Readers' Choice Awards, ranking #3 in International Law and #4 in Transportation. This recognition highlights his thought leadership and strong readership among industry professionals, including C-suite executives, in-house counsel, media and other professionals, throughout 2025.

A nationally recognized authority on transportation, logistics, supply chain management and international trade, Jonathan authored 75 articles on JD Supra in 2025, generating 131,659 total reads. In a year marked by volatile regulatory shifts and global supply chain disruptions, he served as a trusted voice for clients and industry leaders, providing timely, practical guidance to help them navigate uncertainty and evolving risk.

JD Supra's Readers' Choice Awards recognize the most widely read and engaged authors across 33 key cross-industry topics. Each year, only 10 authors per category and one firm are recognized for maintaining consistently high readership and engagement. Out of more than 70,000 contributing authors, just 342 were selected for this distinction.

Jonathan's practice focuses on the risks and opportunities businesses face as goods move through domestic and international supply chains. He advises clients on mergers and acquisitions, contract drafting and negotiation, licensing and permitting, business operations, new market entry, geopolitical risk management, regulatory compliance and enforcement defense, claims and dispute resolution. He has been recognized nationally by Chambers and named a Notable in Law by Crain's Cleveland, among other honors.
