

Chroma Color Acquires Epolin

JUNE 26, 2020

Benesch represented Chroma Color, a specialty color and additive concentrate supplier serving a diverse range of markets, in its acquisition of Epolin, a global supplier of near-infrared absorbing dyes and thermoplastic compounds. The acquisition significantly expands Chroma Color's portfolio of products in targeted growth markets. Epolin will operate as an independent subsidiary of Chroma Color and continue to maintain and invest in its strong customer and supplier relationships.

The transaction was led by Julie Price and Ryan Williams.
