Columbus Business First Interviews Benesch Co-Chair Kevin Humphries on Resurgence of Middle-Market Deals

FEBRUARY 19, 2026

Featured Practices: Corporate, Mergers, Acquisitions & Divestitures

Benesch Corporate Co-Chair Kevin Humphries was interviewed by *Columbus Business First* in an article exploring the resurgence of middle-market deal activity and the outlook for M&A in 2026.

In the piece, Kevin shares insights on the factors contributing to renewed momentum in the middle market, including improving economic conditions and increasing confidence among buyers and sellers. The article highlights how stabilizing market dynamics are creating new opportunities for strategic transactions as companies look toward growth in the year ahead.
