FreightWaves Highlights Benesch Partner Marc Blubaugh in Coverage of Supreme Court Broker Liability Case

SEPTEMBER 29, 2025

FreightWaves recently featured insights from [Marc Blubaugh](#), co-chair of the firm's [Transportation & Logistics Group](#), in its article, *"As SCOTUS Takes Up Broker Liability Monday, New Cases Arise."*

The piece examines the U.S. Supreme Court's upcoming review of key cases that could reshape the legal landscape for broker liability under the Federal Aviation Administration Authorization Act (FAAAA). The article explores how conflicting lower court rulings have created uncertainty for freight brokers across the country and highlights new petitions emerging as the Court prepares to hear oral arguments.
