# FreightWaves Highlights Benesch's Annual Private Equity in Transportation Conference as Key Event for 2025 M&A Trends

DECEMBER 24, 2024

Benesch's annual Private Equity in Transportation conference was recently highlighted in FreightWaves' article, *"2025 Pent-Up Dollars Could Be Big Factor in Logistics M&A Next Year."* The event plays a key role in connecting private equity professionals with the logistics sector, offering deep insights into the trends and challenges shaping mergers and acquisitions. The upcoming year could see a surge in M&A activity, driven by significant capital waiting to be deployed. Benesch's conference is expected to be a critical platform for discussions on these developments.
