

Gregg A. Eisenberg Has Been Named to Crain's 2022 "Power 150" List

DECEMBER 28, 2022

Benesch is excited to share that Gregg Eisenberg has been named to the Crain's Cleveland Business "Power 150" list for 2022.

The *Crain's* "Power 150" list is comprised of individuals leading some of Northeast Ohio's most influential organizations and who are in a position to move the region forward. No specific criteria were used in selecting the "Power 150" list, nor were they chosen through a nomination process. Rather, *Crain's* editorial staff collectively gathered names, taking into consideration each person's role in Northeast Ohio and that of their organization.

Gregg has served as Benesch's Managing Partner since 2015. Under his leadership, Benesch has experienced substantial growth, opened offices in Chicago and San Francisco, and advanced 36 places on the Am Law 200 list where the firm is currently ranked at number 155.
