Introducing the expanded Benesch AI Commission

MARCH 18, 2024

As part of our firm's continued commitment to our clients, we are excited to announce the expansion of the Benesch AI Commission, under the leadership of attorney Kris Chandler.

With the landscape of artificial intelligence continuing to rapidly evolve, Benesch is committed to staying at the forefront. We have employed a new, focus area-based structure to our Commission—each concentrating on a specific area of expertise—in a truly multidisciplinary approach to our AI initiatives. The leaders of each focus area have been appointed to serve as the firm's go-to individuals in their respective domains.
