MEDIA MENTIONS

Jason Greis Interviewed on BackTable Podcast

SEPTEMBER 13, 2024

Jason Greis, a partner in Benesch's Healthcare+ Practice Group, discusses crucial factors such as structural modifications, financial considerations, legal requirements, Certificate of Need (CON) states, and credentialing processes with guest host and ASC founder Dr. Krishna Mannava. The conversation also covers strategic hospital partnerships, ASC management companies, non-physician ownership, non-compete clauses, operational challenges, investment structures, and exit strategies.
