

Jonathan Todd and Ashley Rice Featured in Law360 Top Tariff Guest Articles of 2025

DECEMBER 30, 2025

Jonathan Todd, Vice Chair of Benesch's Transportation & Logistics Practice Group, and Ashley Rice, an associate in the group, were featured in Law360's roundup of the top tariff-focused guest articles of 2025. Tariffs were a key focus of Law360 Expert Analysis throughout the year, reflecting their continued impact on global trade and supply chains.

In their article, Todd and Rice examine how recent Trump administration tariffs present significant challenges for the transportation and logistics sector, particularly trucking. They note that providers who prioritize operational efficiency, cost control, strong customer relationships and creative contract structures are better positioned to differentiate themselves in a competitive market.
