Jonathan Todd Interviewed by Forbes Newsroom on Early Ramifications of Reciprocal Tariffs

AUGUST 14, 2025

Benesch Transportation & Logistics Vice Chair [Jonathan Todd](#) was interviewed on *Forbes Newsroom*, discussing the early ramifications of newly implemented reciprocal tariffs just one week after they took effect.

In the segment, Jonathan notes that the tariffs are already impacting supply chains, creating both “winners”, such as steel importers and those servicing the steel industry, and “losers,” including consumer products companies and auto manufacturers feeling increased pressure. He emphasized that the full economic and operational impacts are still developing.
