Jonathan Todd Interviewed by Forbes Newsroom on Supreme Court Tariff Case

NOVEMBER 6, 2025

Benesch Transportation & Logistics Vice Chair [Jonathan Todd](#) was interviewed on *Forbes Newsroom*, discussing the Supreme Court hearing on the Trump administration's global tariffs, centering on the balance of power between Congress and the President under the IEEPA statute.

In the segment, Jonathan explained that the Supreme Court case centered on whether the President had the authority, under the IEEPA statute, to impose sweeping tariffs. He highlighted the significant financial implications, including the possibility that billions of dollars in collected duties might need to be refunded if the tariffs are ruled unlawful. Jonathan also stressed that the case will affect the balance of power between Congress and the executive branch, with important ramifications for both government authority and American businesses.
