Jonathan Todd Interviewed on In the Hotseat: M&A Logistics Podcast | “The Impact of Tariffs on Transportation and Logistics”

JUNE 4, 2025

Jonathan Todd, Vice Chair of Benesch’s Transportation & Logistics Practice Group, joined Spencer Tenney on the *In the Hotseat: M&A Logistics* podcast to discuss how tariffs are impacting various industries, particularly transportation and logistics. Todd discusses how companies are adapting to uncertainty, the ripple effects on mergers and acquisitions, and the importance of staying proactive and consultative in managing costs.
