Jonathan Todd Mentioned in Plastics News on Tariff Developments

MARCH 25, 2026

Jonathan Todd, vice chair of Benesch's Transportation & Logistics Group, was featured in a recent Plastics News article covering the Plastics News Executive Forum in Clearwater Beach, Fla. During his presentation, Todd explained that although a key set of tariffs has been struck down, companies in the plastics industry now face a complex environment involving potential refunds, new trade actions and an increase in legal disputes. The article highlights Todd's perspective on how the evolving tariff landscape continues to impact plastics supply chains, noting that while the situation may be more predictable, it remains highly disruptive.
