Jonathan Todd Quoted in Commercial Carrier Journal on AI Applications in the Trucking Industry

MARCH 20, 2025

Jonathan Todd, Vice Chair of Benesch's Transportation & Logistics Practice Group, was recently quoted in the Commercial Carrier Journal's article "Applications of AI in the Trucking Industry." The article examines the transformative impact of artificial intelligence on the trucking sector, highlighting advancements in autonomous vehicles, logistics optimization, and safety enhancements.

Todd said there are opportunities and challenges associated with AI, and companies can still be negligent even with high-performing programs in place. He gets calls from carriers throughout the lifecycle of implementing AI - from ideation to implementation.
