

Jonathan Todd Quoted in Supply Chain Dive on Trump's Tariff Order and Trade Impact

APRIL 4, 2025

Jonathan Todd, Vice Chair of Benesch's Transportation & Logistics Practice Group, was recently quoted in the Supply Chain Dive article "5 key details in Trump's global tariffs order."

This article discusses President Trump's recent trade actions, including a universal 10% tariff and country-specific duties, with a focus on their implications for shippers and trade with Canada, Mexico, and China. It highlights the complexities of these tariffs, such as their potential stacking effect on China and the possibility of reduced duties for Canada and Mexico.

Todd said, "determining product flows, tariff codes, origin countries and net duty burdens will remain critical."
