

Jonathan Todd Receives JD Supra's Readers' Choice Award

MARCH 31, 2021

Benesch is pleased to share that Jonathan Todd has been recognized as a Top Author in Transportation by JD Supra's 2021 Readers' Choice Awards. The Readers' Choice Awards recognize top authors and firms who were read by C-suite executives, in-house counsel, media, and other professionals across the JD Supra platform during 2020.

This year, the awards recognize:

- authors for their visibility and thought leadership covering 28 key, cross-industry topics (10 authors per category)
- firms for their visibility and engagement in the 28 topics covered by the awards (one firm per category).

Methodology

As the name suggests, the Readers' Choice Awards reflect a deep dive into JD Supra's 2020 reader data, in which they studied total visibility and engagement among readers across many industries interested in certain defining topics of the day.

JD Supra editors chose the 28 main topics covered in this year's Readers' Choice Awards for their timeliness as well as their proven, ongoing importance. In each category, JD Supra recognizes ten authors and one firm for consistently highest readership and engagement within that category for all of 2020. In total, across all categories, they recognized the excellence and achievement of 265 authors selected from over 58,000 who publish their excellent work on the JD Supra platform.

As a partner in Benesch's Transportation & Logistics Practice Group, Jonathan delivers unique industry-focused legal counsel to clients on supply chain management matters with emphasis on transportation, logistics, and international trade functions. Jon is widely recognized as an industry thought leader, particularly in the areas of global transportation and logistics contracting, supply chain security, and regulatory compliance. He frequently writes and speaks on supply chain management related topics, and presently serves as a voting member on the TSA Surface Transportation Security Advisory Committee and on the Northern Ohio District Export Counsel as well as on boards and committees of many industry-focused trade organizations.
