JULY 2, 2025

Kevin Humphries, partner and co-chair of Benesch's Corporate Practice Group, and Alan Schabes, partner in the firm's Healthcare+ Practice Group, were featured in Law360 following their elections to the firm's Executive Committee. Each will serve a three-year term, effective July 1, 2025.

Humphries joined Benesch in 2023 from Kirkland & Ellis and is based in the firm's Chicago and Columbus offices.

"I'm honored to be elected to Benesch's executive committee and deeply appreciate the trust my colleagues have placed in me," Humphries said. "I recognize the responsibility that comes with this role and am committed to supporting the firm's continued growth and success. Benesch is at an exciting moment in its trajectory, and I'm looking forward to contributing to our strategic direction as we continue expanding our capabilities, investing in our people and delivering exceptional value to our clients."

Schabes has been with Benesch's Cleveland office since 1981.

"I am very excited to join the executive committee and to work with the rest of the firm's leadership team in this new capacity," Schabes said. "Having been with Benesch since 1981, I've had a front-row seat to the firm's transformation into a national powerhouse. I'm proud of how far we've come and look forward to helping guide our continued growth and evolution in the years ahead."
