Law360 Pulse Features Partner Puja Parikh on Move to Benesch's San Francisco IP Litigation Group

NOVEMBER 24, 2025

Law360 Pulse recently highlighted Benesch's continued West Coast growth in a feature that included insights from Puja Parikh who has joined the firm as a Partner in the San Francisco office.

Puja's practice spans clients of all sizes-from fast-growing startups to well-known global companies-facing complex IP and commercial disputes in federal courts, arbitration, and before the Patent and Trademark Office. Her ability to simplify and persuasively frame challenging technical issues, including those tied to generative AI, medical devices, and social media technologies, has made her a go-to trial lawyer with a strong record of wins.
