Law360 Pulse Quotes Benesch Chief Human Resources Officer Liz Gillmore on Leadership Pipeline Trends

JUNE 4, 2026

Benesch Chief Human Resources Officer [Liz Gillmore](#) was recently quoted in a [Law360 Pulse article](#) examining the evolution of leadership pipelines within the human resources profession and their growing influence on organizational performance.

The article explores how the HR function has expanded beyond traditional responsibilities to play a more central, strategic role in driving business outcomes, with a strong emphasis on developing future leaders from within.

“Over time, as the function has become more strategic and integral to business performance, that pipeline has continued to shape leadership in the field,” Gillmore told Law360.
