

Legal 500 US Elite Recognizes Benesch Partner Jason Greis for Excellence in Corporate and M&A Law

FEBRUARY 28, 2025

Benesch Partner Jason Greis has been nominated for inclusion in the first edition of Legal 500 US Elite: Corporate and M&A list. This recognition highlights Jason's exceptional legal acumen and influential work in corporate law, particularly mergers and acquisitions.

The Legal 500 US Elite is an exclusive recognition platform for top-tier US lawyers who operate beyond the traditional boundaries of large law firms. Unlike other rankings, Legal 500 US Elite celebrates lawyers who are driving innovation and growth in key cities across the United States. This honor showcases Jason's standing among an elite group of legal professionals whose work continues to shape the corporate landscape.

Legal 500's comprehensive research process involved in-depth interviews with leading practitioners, feedback from referees and peers, and a rigorous analysis of impactful cases. As a result, the Legal 500 US Elite serves as a trusted resource for identifying exceptional attorneys who are recognized not only for their technical expertise but also for their strategic impact in driving client success.
