

Logistics Management Podcast Featured Benesch Partner Jonathan Todd on Global Trade and Tariffs

AUGUST 11, 2026

Jonathan Todd, vice chair of Benesch's Transportation & Logistics Group, was recently featured on the Logistics Management podcast, "Looking at the Intersection of Global Trade and Tariffs with Jonathan Todd."

During the episode, Todd explores the current state of global trade, the ongoing effects of tariffs, and the resulting challenges for supply chain stakeholders. He offers practical guidance for businesses navigating regulatory changes and highlights key considerations for maintaining compliance in a rapidly evolving trade environment.
