Scripps News Interviews Partner Jonathan Todd on Tariffs and Supply Chain Issues

NOVEMBER 19, 2026

Jonathan Todd, co-lead of Benesch's Transportation & Logistics Practice Group, was recently interviewed by Scripps News about the potential impact of the new Congress on tariffs, trade and supply chain issues.

Jonathan discussed how tariffs, rising transportation costs and global conflicts are affecting businesses and consumers, as well as the types of legislation Congress could pursue to address these challenges. He also addressed the impact of higher diesel costs and supply chain fraud, noting that these pressures can ultimately increase costs for businesses and consumers.
