Secured Finance Network Highlights Benesch Partner Tabitha Humphries in New Member Spotlight

APRIL 28, 2026

Featured Practices: Commercial Finance & Banking

Secured Finance Network recently highlighted Benesch Partner Tabitha Humphries in its SFNet New Member Spotlight, recognizing both Humphries' professional background and Benesch's growing presence in the secured finance market.

The feature spotlights Humphries' role as SFNet Member Director for Benesch and her extensive experience representing lenders and borrowers across a wide range of financing transactions. Her practice includes investment-grade and leveraged credit facilities, asset-based financings, cross-border secured credit facilities, acquisition financings, debtor-in-possession financings, liability management transactions, and exit financings.
