

Watkins Associated Industries Acquires Nova Engineering and Environmental

AUGUST 20, 2019

Source: Array

Benesch client, Watkins Associated Industries WAI), has acquired NOVA Engineering and Environmental (NOVA). WAI is a large, privately-held company focused on creating long-term value by building and managing world-class businesses. WAI's previously existing lines of business include real estate, food processing, insurance services, and building materials. NOVA is an industry leader providing environmental consulting, geotechnical engineering, construction materials testing and inspections, plan review and code compliance, municipal/government outsourcing, and roofing/building envelope consulting services.

The Benesch team was led by Michael J. Mozes and included Mitchell Gecht.
