Overview

Alex maintains a broad litigation practice that encompasses complex commercial disputes, white-collar defense, and government investigations in federal and state courts across the country.

He has experience representing clients in matters involving Civil RICO, breach of fiduciary duty, contractual disputes, the False Claims Act, class actions, and product liability litigation. His work spans a wide range of regulated industries, including technology, healthcare, pharmaceuticals, and financial services, as well as emerging areas such as cryptocurrency. He regularly steers clients through investigations and enforcement actions brought by the Department of Justice, the Securities and Exchange Commission, state attorneys general, and other regulatory bodies.

A dynamic and strategic problem-solver, Alex is known for developing creative strategies that address complex legal and business challenges. He is a persuasive writer and communicator who excels at crafting compelling narratives on behalf of his clients, and he is fastidious in ensuring that no detail goes overlooked.
