Overview

Andrew has almost 30 years' experience as an Intellectual Property Litigation Paralegal. He has managed complex cases in venues such as the International Trade Commission, U.S. District Courts, Appellate Courts, and the Patent Trial & Appeal Board. His wide range of experience includes preparation for and attendance at pre-trial, trial and post-trial proceedings.

Andrew is extremely organized and excels in preparing documents for production, reviewing, editing, fact-checking, and cite-checking briefs, motions, declarations, and other supporting documents in preparation for electronic filing. Additionally, his comprehensive experience includes preparing materials for PTAB, District Court, and Federal Circuit oral arguments, showcasing his ability to handle complex legal tasks with precision and attention to detail.
