Overview

Aslam has a broad transactional practice, including capital markets transactions and corporate governance matters. He represents issuers, underwriters and servicers on a variety of complex securities matters, including initial public offerings, fund formation and offering matters, investment grade and high-yield debt offerings, acquisition financings, debt tender offers, exchange offers and securitizations.

In addition, Aslam advises clients with respect to general corporate and corporate governance matters, including with respect to Artificial Intelligence (AI).

Outside of the office, Aslam co-chairs the Fundraising Committee of the Associate Board of the Greater Chicago Food Depository. The Greater Chicago Food Depository provides healthy, nutritious food for people in need across Chicago and Cook County, Illinois. The organization's work against hunger over the years has expanded to address the issues that cause food insecurity and poverty.

Representative Matters

- Represented Tribeca Strategic Acquisition Corporation (Nasdaq: BIDWU) in its $140 million initial public offering on the Nasdaq Global Market.
- Advised Currier Plastics in its investment partnership with Sheridan Capital Partners.

- Served as legal counsel to Atmus Filtration Technologies in its $450 million definitive agreement to acquire Koch Filter. The transaction strengthens Atmus' market position by providing direct access to Koch Filter's established customer network across commercial and industrial HVAC, data centers and power generation.
- Represented Richardson Electronics in the sale of a majority interest in its healthcare unit to DirectMed Imaging.
- Represented Noble Rock Software in its strategic investment in Energy Worldnet, a leading provider of legally mandated Operator Qualification SaaS solutions for the gas pipeline, utility, and telecommunications industries.
- Represented Loar Holdings Inc., a diversified manufacturer and supplier of niche aerospace and defense components, in its acquisition of Applied Avionics, Inc., a manufacturer of highly engineered avionics interface solutions catering to the aviation industry, valued at $385 million.
- Represented Solidion Technology, Inc. ("Solidion"), a leading advanced battery technology solutions provider, in the pricing of a private placement totaling $3.85 million. In connection with the private placement, Solidion will issue units, each consisting of one share of common stock, two common warrants each exercisable for one share of common stock, and one common warrant at an exercise price of $0.0001 to purchase such amount of shares of common stock as will be determined on the relevant reset date.
- Represented SpringBig Holdings, Inc. ("springbig") (NASDAQ: SBIG), a leading provider of SaaS-based marketing solutions, consumer mobile app experiences, and omnichannel loyalty programs to the cannabis industry, in the closing of a public offering of 13,061,014 shares of its common stock at an at-the-market public offering price of $0.3037. The offering raised approximately $3 million in gross cash proceeds and, in addition, approximately $1.0 million of existing convertible notes were cancelled in exchange for shares in the offering at the public offering price, which springbig intends to use for working capital and general corporate purposes.
