## Overview

**Jabari leads the firm's billing and collection functions, working closely with attorneys and finance and operations teams to enhance client service and drive financial efficiency.**

With more than 20 years of experience in finance operations at Am Law firms, Jabari develops strategies to streamline client intake, improve billing and collection efficiencies and ensure compliance. He oversees all aspects of billing and collections to optimize cash flow, implement process improvements and deliver data-driven insights that support clients' financial planning and decision-making. His leadership spans the full revenue cycle, from matter setup through invoice collection, aligning financial operations with attorney, client and firm objectives.

Prior to joining Benesch, Jabari served as Director of Billing and Collection at Honigman LLP.
