### Overview

**Jason has 10+ years of experience as a lead lawyer who uses practical, data-driven, business-focused solutions, strategy development, and implementation in counseling privately held companies and large private equity platforms through complex business transactions.**

Jason's expertise includes leading client mergers, acquisitions, divestitures, sales through bankruptcy and out-of-court restructuring. Jason also advises clients and C-suite executives on a range of corporate matters. His experience spans numerous industries including manufacturing, healthcare, construction, food and restaurant, consumer services and products, industrial, energy, software, fire and life safety and technology.

*\*Matter handled prior to joining Benesch.*
